on the press coverage that the godhra carnage received in the indian and international media

no instance of communal violence has provoked as much controversy as the gujarat 2002 carnage in which over 1 000 people mostly muslims were killed and none has been subjected to as much fact finding yet as this book demonstrates the fact finding riddled with ambiguities and deceptions gaps and contradictions glossed over crucial pieces of evidence while the nanavati commission shirked from examining modi the special investigation team sit left unasked a range of questions on the anti muslim violence that followed the burning of a train in godhra carrying hindutva activists how could modi for instance claim to have been unaware for nearly five hours of the first post godhra massacre that took place at ahmedabad s gulberg society how does this claim square with his admission that he was tracking the violence as it unfolded scrupulously researched and now updated to factor in the national elections of 2014 the fiction of fact finding draws telling parallels between gujarat 2002 and the 1984 massacre of sikhs in delhi to underline an insidious pattern in indian democracy the subversion of the criminal justice system under a shroud of legal platitudes

a riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance over the past two decades thanks

to narendra modi hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in gujarat and then in india at large modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines both facets of this national populism found expression in a highly personalized political style as modi related directly to the voters through all kinds of channels of communication in order to saturate the public space drawing on original interviews conducted across india christophe jaffrelot shows how modi s government has moved india toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates muslims and christians to second class citizens who are harassed by vigilante groups he discusses how the promotion of hindu nationalism has resulted in attacks against secularists intellectuals universities and ngos jaffrelot explains how the political system of india has acquired authoritarian features for other reasons too eager to govern not only in new delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including india s supreme court modi s india is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities

this book gives details of the current problems which are rooted in past the roots go up to 1200 years back and describes the causes of india s downfall and erosion of indian culture and values the causes are valid even today it describes mughal era british era post independence era in detail the advent and role of indian national congress is explained including the role of mk gandhi the contributions and mistakes of all the prime ministers of india have been given with their impacts the chapter on rashtriya swayamsewak sangh gives unknown facets of the organization the author an rss swayamsevak describes the strengths and weaknesses of the organization the book deals with the current problems and possible solutions an insight towards the responsibilities and duties of the young generation has been given before 5th august 2019 j k state did have a different flag and different constitution due to article 370 and 35a the j k state was not truly acceded to india after abrogation the accession is complete in all respects the book gives the travelogue of the history the journey from 15th august 1947 to 5th august 2019 has been connected the highlight of the book is that it refers to various areas from ancient history to the contemporary events in respect of education history myths socio political scenarios and interweaves them nicely so that the reader gets a holistic overview of the past and present of india along with the challenges ahead and offers possible solutions a must read book

unlike many other journalist from english medium nirendra dev makes an attempt for objective study of muslims mindset in the historic context of how hindus look at muslim the book not only proves one to think who sparked off ghodra but also tries to make in depth studies on whether muslims were responsible for it and thus asking or trouble

the priest king faith power and the rise of narendra modi s india by abhijeet sarkar ceo founder synaptic ai lab one man is rewriting the destiny of a billion people for the first time a brilliant systems analyst decodes the source code of his power in january 2024

the world watched as india's prime minister narendra modi dressed in the robes of an ancient monarch consecrated a grand controversial temple in that moment he was no longer just a politician he was a priest king the spiritual and temporal ruler of a new india how did a man from a humble background forged in the secretive discipline of a hindu nationalist organization become one of the most powerful and polarizing leaders on earth what is the secret to his seemingly unshakeable bond with a billion people now in a groundbreaking analysis technologist and ai pioneer abhijeet sarkar offers an explosive and unprecedented look inside the modi phenomenon the priest king is not another political biography it is a work of reverse engineering a deep analytical dive into the most sophisticated political machine of the 21st century written by an expert who understands how complex systems are built and controlled sarkar unveils a stunning new framework for understanding modi's power the fusion of two archetypes into one formidable whole the priest the detached ascetic leader who speaks the language of civilisational destiny tapping into a deep wellspring of faith to command a moral authority that transcends politics the king the hyper efficient 21st century ceo who wields the full power of a data driven state executing audacious plans with ruthless efficiency and delivering digital age welfare directly to hundreds of millions journey from the clandestine war rooms of modi's digital campaigns to the backrooms where audacious moves like the shock and awe of demonetisation were born understand how the very idea of india is being culturally re-engineered from its history books to its bollywood films and how modi has projected this new vision onto the world stage the priest king is more than the story of one man or one nation in an age of global anxiety modi's india offers a powerful and perhaps predictive playbook for the future of democracy it is an essential guide to how ethno nationalism technological control and a narrative of ancient glory can be fused to forge a new kind of power one that is reshaping our world scroll up and click buy now to provocative insightful and utterly indispensable this is the one book you must read to understand the forces shaping the 21st century

this is a revised and updated edition of the classic on india's post independence political economy published in the early 1980s it addresses the fundamental paradox of india's political economy how do we achieve the goals of increased economic growth and reduced economic and social disparities without causing social turmoil and dissent this revised edition includes substantial new chapters carrying forward the analyses to the second generation in the 21st century

contributed articles with reference to gujarat india

this volume presents an integrated collection of essays around the theme of india's failure to grapple with the big questions of human rights protections affecting marginalized minority groups in the country's recent rush to modernization the book traverses a broad range of rights violations from gender equality to sexual orientation from judicial review of national security law to national security concerns from water rights to forest rights of those in need and from the persecution of muslims in gulberg to india's parallel legal system of lok adalats to resolve disputes it calls into question india's claim to be a contemporary liberal democracy the thesis is given added strength by the authors diverse perspectives which ultimately create a synergy that stimulates the thinking of the entire field of human rights but in the context of a non western

country thereby prompting many specialists in human rights to think in new ways about their research and the direction of the field both in india and beyond in an area that has been under researched the work will provide valuable guidance for new research ideas experimental designs and analyses in key cutting edge issues covered in this work such as acid attacks or the right to protest against the nuclear state in india

scarred experiments with violence in gujarat asserts the existence of a much larger politics of violence and tells the story of a disaster in hindutva s laboratory which etched deep faults in gujarat s social landscape while capturing the predicament of the sabarmati express survivors scarred is an intense moving portrait of refugees whose lives have been changed forever by the violence that followed it tells the story of people fighting for justice amidst fear and turmoil unable to return home it is also an insightful look into the minds of the perpetrators of this violence and the world they seek to construct a world where the ghettoization and socio economic boycott of muslims have become the norm what exactly happened in gujarat in february 2002 why did the country s political leaders fiddle while gandhi s gujarat burned in this honest and thought provoking book dionne bunsha tries to answer these and many of the questions that we are still left with

this edited volume looks at the gujarat tragedy in microscopic detail and tries to analyse the covers for it

issues for 1919 47 include who s who in india 1948 who s who in india and pakistan

this volume offers political and institutional explanations for communal conflicts in india the volume complies influential and lesser known yet significant interventions to present the most comprehensive social scientific analysis of communal violence in india

contributed articles presented at the crisis media workshop organized by sarai csds delhi in march 2003 analysing media coverage on wars and internal disturbances in various south asian countries
